Faith in Action Mission Day Camp

Camp #1
June 20 - 24, 2011

What is *Faith in Action Mission Day Camp*? It is a summer ministry for children that have completed 1st - 5th grade and it takes place right here at Tinkling Spring! In five action packed days children will have an opportunity to serve their community through service projects and enjoy growing in their faith!

Children will learn how they can make a difference, not just during camp, but everyday of their lives, as they take Jesus' love and kindness into their relationships with others.

In addition to the morning service projects, the day camp will offer singing and worship, stories from God's Word, recreation, crafts and cooking. Each day we'll explore stories Jesus told about everyday people in everyday situations, and learn how to make gratitude, compassion, forgiveness, grace, and faithfulness a part of our everyday lives.

Join the fun on Main Street...
