“Let the little children come to me!

Never send them away!

For the Kingdom of God belongs to people who have hearts as trusting as these little children’s.”

Tinkling Spring Preschool Programs and Statement of Purpose:

In 1990, the Tinkling Spring Presbyterian Church embarked on a new ministry through offering a preschool program for young children. The purpose of the school is:

First: The preschool seeks to provide an environment where children are nurtured with Christian love and where stories of faith and the wondrous love of God can be shared.

Second: The Preschool seeks to enhance the development of young children with an age appropriate curriculum. Children will be met where they are in their development and teachers will provide opportunities for growth physically, socially, intellectually, and spiritually.

Third: The preschool believes that a strong self-image and positive self-esteem are essential for life in our world. By providing a loving, nurturing, Christian environment and a developmental program, it is our hope that each child's self-image will be positive, secure and as was intended from birth, a mirroring of the image of God.

Preschool Program

We are so excited that beginning in the Fall of 2012 we will be offering classes for children ages 2 to 5 years. All classes will operate Monday– Friday from 8:30 a.m. to 12:30 p.m. with extended care being available from 12:30 to 5:30 p.m.

The children attending Tinkling Spring Preschool have an opportunity to learn in a Christian environment. The preschool seeks to enhance the development of young children through the implementation of Virginia's Foundation Blocks for Early Learning. Each class receives weekly Bible lessons, music instruction, and library time where the children may choose a book of their choice to take home for the week.
